

Non-Insured Services Fee Information For Patients

Non-insured services are those not covered by Medical Services Insurance (MSI). You may have to pay your doctor directly for some of these services. Your doctor will be pleased to answer any questions you may have about non-insured services.

Before you receive a service that is non-insured, your doctor will always discuss the cost of this service with you. You will never be denied care if you are unable to pay, so please let your doctor know if you have a concern prior to treatment.
